

Press Release No.1

The American-Mexican Association

The American-Mexican Association (AMA) is proud to announce its kick-off meeting, which took place on April 20 and 21st in Dallas, Texas. Members from 14 cities across the United States took part in this First Plenary Session. Currently, AMA membership comprises over 20 cities across 6 regions in the country, and plans on expanding to represent every single successful Mexican and Mexican-American living in the United States.

The American-Mexican Association is designed as a platform for the dissemination of the significant contributions of Mexicans and Mexican-Americans to the United States. Our main objective is to counter negative discourses around our communities, by showcasing stories of success, perseverance, and determination, which encompass so well the spirit of our members.
